Unusual circumstances have a summer season with full Romanian volunteers but with fewer American volunteers than any previous year. This year, more than any other, we need our "Home Team" to provide financial and prayer support for these cherished and critical weeks of Christian nourishment for children who are largely forgotten.

### SPONSOR A CHILD FOR \$50

Provide the food that one child will eat for a whole week of camp (15 meals and 5 snacks)!

## OUR NEW WEBSITE [WWW.HEARTOFHOPE.ORG](http://WWW.HEARTOFHOPE.ORG)

We have created a new online space for our donors and volunteers to find information, see the latest outreach pictures, and stay connected! A new feature includes one-time and recurring donation options - an easy way to continue supporting the children and families we serve throughout the year!

## THE MTI "DR. ANDERSON" DENTAL 'TEAM'!

*Dental service continued in May with the arrival of Dr. Philip Anderson from Seattle, WA. Dr. Anderson came as his own 'team'! In his 7 days of service he provided: 72 fillings, 12 extractions, 6 pulpotomies, 33 sealants, 1 root canal, and taught two classes at the University. While personally treating children, he also oversaw 5<sup>th</sup> and 6<sup>th</sup> year students that were interested in helping the children from the Placement Centers at Orlat, Turnu Rosu and Agarbiciu. We are so thankful for all our Dental volunteers who blessed so many this spring!*
