

DESTINATION HOPE!

The 2024 camp season was a destination of hope and blessing for so many children from various communities this year. We facilitated children from Placement Centers, poor communities, and foster care. We had wonderful Romanian and American volunteers... but, not nearly enough! We pray as you are reading this you will consider a 'volunteercation' with us to Romania next summer! Email Debbie at debbie@heartofhope.org for a Camp Team Fact Sheet with all the information needed for your consideration.

PHYSICAL NOURISHMENT

Meals are a great time to connect and learn about each other. Choosing and making your own pizza, ahhh yummy!

SPIRITUAL NOURISHMENT

The entire purpose of Camp of the Good Shepherd is to embrace children with the love of Christ. Pictured at right: Bible teacher, Mirela that leads a weekly Village Bible Club during the school year, taught on the life of Joseph. *"For me, camp is a special time that deepens our relationships with the children. It gives us a unique opportunity to observe their strengths and struggles, it encourages them to open up and be receptive to our guidance and the word of God. So grateful for this special time."*

SOCIAL NOURISHMENT

Children need a safe place to play and exercise. This year's addition of the soccer field and playground enhanced our entire program that even I underestimated! The team building and fellowship, the proper use of the soccer field, along with just simply childhood fun provided a greater ministry opportunity in all other areas of our program. Words fail to communicate the amazing benefit to every week of camp. Thank you to all who donated at last year's fundraisers to make this dream come true!
